October 12, 2017

Dentons HPRP is pleased to share that one of its partners Hendra Ong has been shortlisted in the annual '40 Under 40' listed by *Asian Legal Business (ALB)* Thomson Reuters. The list features 40 outstanding legal professionals in Asia (excluding China) who are under the age of 40.

Hendra was recognised for his quality of work and career achievement, as described in the article "Ong quickly rose from a junior associate to a senior one in 3.5 years – a process that normally takes more than 7 years of experience."

Other factors contributing to this listing were recommendations from clients indicating his ability to bring more value to clients' business than other players in the market.

With more than 10 years' experience as a corporate lawyer, Hendra has corporate and commercial legal practice experience across a wide variety of industries. He has extensive experience in the aviation industry covering almost every legal and commercial aspect. In infrastructure related projects, Hendra has a broad practice covering the energy and power sectors. He is also active in organizations and has been invited to several discussion forums and training on various legal materials in relation to aviation and energy and power.
