

Dentons HPRP's partners named to A-List of Indonesia's Top Lawyers

May 24, 2018

Dentons HPRP is pleased to announce that partners in the firm, Al Hakim Hanafiah, Fabian Buddy Pascoal, Andre Rahadian, Sartono, and Giovanni Mofsol Muhammad are named on the A-List of Indonesia's Top 100 Lawyers. The list was issued by a leading legal publication, *Asia Legal Business Journal*.

According to the *ALBJ*, the list is based on an extensive research conducted and nominations received from in-house counsels around the world, and Indonesian-focused partners at international law firms. Comments submitted to the *ABLJ* by the clients suggest that they are not only looking for lawyers with extensive knowledge in law but also looking for those who have skills to communicate using non-legal jargon, and who have a wide network and business acumen to sense that time is of the essence when it comes to deal closures. In addition, most international clients seek out Indonesia lawyers who have international experience.
