

Highlights of the new Implementing Regulation of the Construction Service Law

July 10, 2020

The government of Indonesia issued a new regulation concerning Implementing Regulation of the Construction Law on 21 April 2020. The new regulation may have a significant impact on business activities related to construction services, specifically the technical provisions related to construction services.

What's in the new regulation? Dentons HPRP's lawyers, Hendra Ong (Partner), Dinda Triwijanarko (Senior Associate), and Aditya Parlindungan Pratama Sitanggang (Associate) have prepared an article regarding the new regulation highlighting the important points.

The complete article can be downloaded [here](#).
