

Job Creation Act: Government regulation on the implementation of the manufacturing sector

July 9, 2021

The Indonesian Government continues to encourage the strategic role of the Manufacturing sector in spurring the national economy, especially amid the impact of the COVID 19 pandemic.

Following the enactment of the “Job Creation Act”, the government has enacted a new Government Regulation on Manufacturing sector. The implementation of the new regulation is expected to accelerate the growth of the country's Manufacturing sector and spur competitiveness in the global arena.

What's in the new regulation? Dentons HPRP's lawyers, Michael A. Kaihatu (Partner), **Abraham Sylvester Harryandi** (Senior Associate), and **Raisha Puti Diamar** (Associate) have prepared a brief analysis explaining the key points of several matters outlined in the new regulation.
