

# Simplification of licensing procedures in hospital businesses

March 31, 2021

As an effort to establish an improved healthcare business, the Job Creation Act has also changed several provisions contained in the current healthcare regulations. To support these amendments, the Government of the Republic of Indonesia has promulgated an implementing regulation concerning the Implementation of Hospital Businesses.

What's in the new regulation? Dentons HPRP's lawyers Nashatra Prita (Partner), Abraham Imamat (Associate) and Peniel Alexander Pardomuan (Associate) highlight the main policies introduced in the new regulation.
