

# Government Regulation No. 96 of 2021 as New Implementing Regulation on Mining Business Activities

November 19, 2021

The Government of Indonesia recently issued Government Regulation No 96. of 2021 concerning Implementation of Mineral and Coal Mining Business Activities (“GR 96 2021”). This new regulation includes several provisions which are considered significant changes from the previous regulation issued in 2010. It may provide opportunities for businesses to expand their mining business in Indonesia.

Dentons HPRP’s lawyers, **Maurice Maulana Situmorang** (Partner), **Akbar Bayu Adisono Putro** (Senior Associate), and **Carlos William Rettobjaan** (Associate) have prepared a write up briefly elaborating on the highlighted provisions of GR 96 2021 which may be applicable to the stakeholders of mining businesses in Indonesia.

The complete write up can be downloaded [here](#).

Dentons HPRP has been successfully assisting institutions in the natural resources sector, including in the mining sector in a wide range of legal areas.
