

Highlights on the new Indonesian Sustainable Palm-Oil Certification System

July 14, 2020

In order to improve the management and development of palm oil plantations and also increase the acceptance and competitiveness of Indonesian palm oil plantation products in domestic and international markets, the Government enacted a new regulation concerning Indonesian Sustainable Palm-Oil (“ISPO”) Certification System.

What’s in the new regulation? Dentons HPRP’s lawyers, Maurice Maulana Situmorang (Partner), Dinda Triwijanarko (Senior Associate), and Carlos William Rettobjan (Associate) have prepared an article regarding the new regulation highlighting the important points.

The complete article can be downloaded [here](#).
