

The Indonesian Legal System approach to supervising Private Electronic System Operators

February 3, 2021

The needs to live life through an online system and use electronic systems in all lines of life have been increasing rapidly. Considering this, the Government of the Republic of Indonesia has enacted a new regulation concerning Private Electronic System Operators to supervise the ever-growing increase for the use of private electronic systems.

What's in the new regulation? Dentons HPRP's lawyers, Maurice Maulana Situmorang (Partner) and his team: Nike Astria Malik (Senior Associate), Natasya Nurul Amalia (Associate), Inaya Safa Nadira (Associate), and Rovi Fremi Raturandang (Associate) have prepared an article regarding the new regulation highlighting the important points.

The complete article can be downloaded [here](#).
